

COMING UP

Read, Stick and Play with the Three Little Pigs is a gift set to help encourage reading and developing imagination. Children will take an active part in reading the story as they will complete sentences with the help of stickers.

They will also be able to tell the story by playing with the press-out characters they will place in front of the decor provided.

Thus, they will learn to read quickly while having hours of fun!

Once upon a time, there were  who lived with their  .

One day, she told them that the pantry was empty and that soon,

they would have no more  .

Courageous, the  brothers packed their  . They promised

their mamma they would come back to get her when they were rich.

Off they went, arm in arm, to travel the world.
